

DON'T BURN YOUR MOUNTAIN EQUIPMENT CO-OP MEMBERSHIP CARD!

Sure, when you learned that MEC sells goods produced by Israeli military suppliers – even after Israel was accused of war crimes by the UN – you wanted to pull out that MEC membership card and light it up!

But don't do it!

Come to the MEC Annual General Meeting instead and use your membership to vote NO to War Crimes! The next MEC Annual General Meeting will be held in April 2010.

And that gives you almost a whole year to not buy anything from Israel. Look for this barcode and start by not Israeli-made buying hydration packs and clothing at MEC. Branch out and don't buy Israeli wine from grapes grown on the illegally annexed Golan Heights. Get tough on Israeli's Jaffa Oranges. Choose a local red or orange pepper instead of an Israeli vegetable.
